

## Attention Builders and Realtors Representing Builders in Creekside Ranch!

The Turner Company has partnered with Alaskarama and The Frontiersman to bring you two new marketing tools - 360 degree virtual tours hosted online at <http://www.virtualparade.net>, coupled with a print ad campaign, and inclusion on the Creekside Ranch website, <http://www.creeksideranch.info>.

The Turner Company will be providing leads generated from their website to participating builders or their representatives. They recognize that your success is directly tied to their success.

The Mat-Su Virtual Parade of Homes is linked directly from <http://www.Frontiersman.com>, which averages over 69,000 visitors a month since January of 2006, from all over the USA and abroad. Now your customers can take a “look” at your properties at any time and from anywhere.

### What you get:

- Up to 4 Virtual Tours at one location ([click to see example](#)) hosted on the Mat-Su Virtual Parade of Homes and also on the Creekside Ranch web page.
- Contact information including live links to your webpage and email, also your realtor's webpage and email (On Mat-Su Virtual Parade only. Creekside Ranch will have virtual tours, exterior image, logo and bio only).
